

TRIUMPH

HIGH PERFORMANCE MOTORCYCLES

SINCE 1902

Monday December 5th 2011

Guelph Ontario Canada; Triumph Motorcycles announced today that in co-operation with their Canadian Dealer Team, they will release new and very special models at the MMIC Showcase Shows across Canada.

We are excited to launch our new model range at the Toronto Motorcycle Show on December 9th 2011, plus the rest of the MMIC venues from Vancouver to Moncton. This industry showcase of exciting new motorsport entries for 2012 is the perfect platform to launch the all-new **2012 Tiger 1200 Explorer** said Chris Ellis, General Manager of Canadian Operations. We have teamed up with our dealer network to bring you Triumph's new model range of high performance motorcycles for 2012. In addition Canadian motorcyclists and Triumph enthusiasts will have the opportunity to see the **Tom Cruise Mi3 Scrambler**, **Orange County Choppers Triumph retro Bonneville Custom** and Joe Kopp's **Pikes Peak Speed Triple** race bike.

All Canadian Triumph Retailers/Canadian Motorsport Media/MMIC SHOWCASE SHOWS

Along with the rest of the Triumph range, there will be 2 new 2012 models and we have some very special bikes heading towards the Canadian Motorcycle Shows. (Tiger 1200 Explorer in Toronto/Tiger and Speed Triple Calgary to Moncton)

Below is a quick clip from the discovery channel on this very cool retro chopper....luv'm- like'm or hate them this is a cool story!

Also surf to www.rideatritiumph.com and get the Pikes Peak story. Click on the video "THE MOUNTAIN"

In addition a very high profile Tom Cruise Scrambler from Mi3

THE WILD ONE's>>>Sucker Punch Sally builds us a modern day BRANDO WILD CHILD, this Bird will be ridden in the release video of Clayton Bellamy's new album, and **both Clayton & the bike will be at the Calgary, Edmonton and Vancouver Shows.**

ORANGE COUNTY CHOPPERS
TRIUMPH BONNEVILLE

**AN AMERICAN CHOPPER
WITH A BRITISH SOUL.**

Paul Testal, Sr., founder of Orange County Choppers, had always dreamed of working on a Triumph. Finally, he found and purchased a battered '66 Triumph Bonneville on eBay®. What he created was this custom, old-school bike that was featured on his show, *American Chopper*.
